

# CROSSWORD PUZZLE

## AMAZING ANIMALS

It is amazing to think about all of the animals we share our earth with. As you complete this puzzle, pretend you're at the zoo. See if you can remember what sort of habitat all of the animals live in.

### Need Help?

Ask a friend or find someone in your family to help.

### ACROSS

- 3) This animal can be found in the desert and has one or two humps.
- 4) If you talk to this bird, it might talk back.
- 5) This black-and-white bear comes from China and is in danger of becoming extinct.
- 7) A \_\_\_\_\_ can be a teddy or a wild animal.
- 8) An \_\_\_\_\_ is a bird that loves to stay up late and make a "Whoop, whoop" sound.
- 11) A \_\_\_\_\_ is a giant, striped cat that lives in the wild.
- 13) This African animal is the largest of the apes and may beat its chest to scare off enemies.
- 14) A \_\_\_\_\_ looks like a horse with black and white stripes.
- 18) A \_\_\_\_\_ is known as the King of the Jungle with its big mane and loud roar.
- 19) A \_\_\_\_\_ is known for its long, long neck.

### DOWN
